NONE AVAILABLE, Finksburg, MD

Welcome to 1955 Valhalla Drive, a breathtaking 25-acre horse farm tucked away at the end of a long private driveway in a peaceful, secluded setting. This exceptional property offers the perfect blend of equestrian functionality and refined residential living.

The farm features a gorgeous 10-stall barn with attached individual runs for each stall and infrastructure in place to expand to 13 stalls as three stalls are oversized. The thoughtful equestrian amenities include a wash stall with hot and cold water, a heated lounge and tack room, ample loft storage, and custom lockers. The indoor arena features a custom blend of rubber and sand footing, LED lighting, mirrors, and viewing stands perfect for hosting clinics or teaching lessons. The climate-controlled lounge in the barn offers a warm gathering space with oak cabinetry, a kitchenette, and vinyl flooring. Additionally, there is a separate feed room with custom cabinetry and shelving and multiple equipment and hay storage nooks carefully placed in the barn for ease of care of the horses on a daily basis. Additionally, there is a bathroom with full laundry in the barn perfect for clients and guests, and an incredible amount of storage for barn equipment, tractors, and hay as well. Need extra stalls? There is plenty of room to expand either by converting the three oversized stalls or adding stalls in the storage area attached to the main barn. See the included floor plans for measurements and possibilities. The barn

operates on a separate electric meter and is served by its own well and septic system. The property also includes multiple storage sheds and safely fenced pastures each with run-in sheds surrounded by a combination of wood and vinyl fencing and a full size 20 x 60 meter sand outdoor riding arena, making it ideal for both casual and competitive equestrian pursuits.

The custom-built 5 bedroom, 3 full and 2 half bath home offers nearly 5,000 square feet of living space with fresh neutral paint throughout. The kitchen is designed for everyday living and entertaining, offering ample cabinetry, dual wall ovens, a large five-burner Kenmore range, and stunning views of the pastures. A spacious great room with vaulted wood ceilings sits just off the kitchen and offers access to the mud room, while a separate large living room with vaulted wood ceilings and a wood-burning fireplace provides a warm and welcoming gathering space. The first-floor primary suite features a large custom dressing room and a spa-like en suite bath with dual vanities and a custom tile shower. The first-floor laundry room with storage adds everyday convenience. The unfinished basement includes a powder room and several additional rooms that can easily be converted into a home office, gym, or home theater.

Upstairs, you'll find four additional bedrooms, including a junior suite with an en suite bath and walk-in closet. A secondary full bath is located off the hall and serves the other three bedrooms. One of the upstairs bedrooms includes a built-in sink, and was previously an art studio, offering flexible space that can be repurposed to suit your needs.

Outside, the home is flanked by gorgeous perennial gardens, a large two story detached

three car garage, a charming wooden bridge to the barn, and manicured lawns as well as a large rear deck and patio with a grilling station. Xfinity internet serves the home and barn ensuring connectivity.
